## Message from the CEO

As the year comes to a close, it's time to stop for a minute, reflect on our achievements, take a big breath and then prepare for the changes and challenges that the new year will bring. The people we support and their families have begun to transfer their services to the nationally administered NDIS and we are all learning about the new system every day.

Our Coordinators will be meeting with families and doing everything we can to assist with a smooth transfer. The Coordinators will develop a new service agreement with you. One of the biggest changes is that we now have a service agreement with people we support and where

appropriate their carer or guardian rather than with government. This is a welcome change, which aims to give people with disability and their families more choice and control.

My sincere thanks to our team, the people who choose our service, and the partners we work with. I hope that you all enjoy the festive season and get to spend time with your loved ones. To those of you who will continue to support people over Xmas, thank you and I hope you enjoy the festive spirit and good company of the people you are with.

With gratitude

Kathy

### Manager for Therapy Services due to commence Feb'19

We are thrilled to announce that Dylan Grogan, OT will commence as our Manager for Therapy Services in February 2019. Dylan will remain in Kununurra and establish therapy services in the East Kimberley as the first stage of our roll out of therapy services across the Kimberley.

Dylan brings a wealth of experience, enthusiasm, positivity and great excitement to this new role. Look out for flyers promoting local information and consultation sessions in the East Kimberley in the New Year. Dylan will be consulting widely with local families and organisations as Far North establishes our therapy arm of service delivery.

### Manager NDIS Operations due to commence Feb'19

Another exciting appointment at Far North is Luke Paine, Manager of NDIS Operations. Luke has extensive experience working in remote communities, the WA and nationally administered NDIS and working in culturally respectful ways. Luke's most recent role, prior to his appointment at Far North was as Area Manager for a remote area for a national organisation.

Luke is values driven and he is passionate about person centred and culturally appropriate services and is a very welcome addition to our team. Luke will be based in Broome, although he is keen to travel and meet all of our wonderful staff based in the other areas.

### New Halls Creek Office

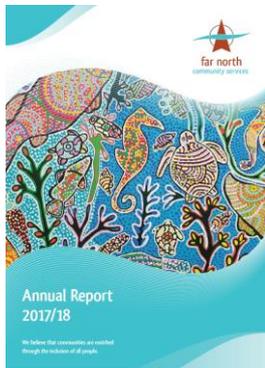

Our Board have committed to expanding the range of services available to people across the Kimberly and demonstrated this in our strategic plan. Jenny our Coordinator in Halls Creek is working hard to build local relationships and connect with families to hear how they would like their services delivered. Earlier in December we moved into our new accessible office, where we can offer a space for people to come during the day, to meet and work towards their goals and for overnight respite.

In the New Year we will be set up for the overnight respite, which is now called short term accommodation under the NDIS. We are very happy to be able to assist families to stay strong and remain in their caring roles and we believe that by working together we can develop supports and services that make a real and positive difference in your lives.

## Partnership with Karungal Council

Far North Board have committed to positive partnerships that benefit people with disability in their strategic plan. One partnership that we are excited about is with the Karungal Council to ensure that people with a NDIS plan in Wangkatjunga Community are not disadvantaged when they transfer from Home Care Support Packages to NDIS. Our partnership resulted from months of work with the Karungal Council, KACS, Disability Services and Far North working together. We are pleased to report that we have developed a model that means people still have access to services such as meals and personal care, provided by local staff in their community. This creates local employment, monitoring and support on the ground, a quick response where required and culturally sensitive services.

We are looking forward to rolling this partnership model out in the new year with another community.

## Recipe of the Month

### Chocolate Clementine Torte

Serves: 16

Cooks In: 50 minutes (10 minutes prep, 40 minutes cook, plus cooling)

Difficulty: Not too tricky

### Ingredients

- 350 g quality dark chocolate , (70%)
- 250 g unsalted butter
- 5 large free-range eggs
- 250 g white caster sugar
- 200 ml fresh clementine juice , (roughly 15 clementines)

### Method

1. Preheat the oven to 120°C  
Snap the chocolate and melt in a heatproof bowl with 225g of the butter and a pinch of sea salt over a pan of gently simmering water until smooth and glossy, stirring occasionally.
2. Whisk the eggs and sugar in a freestanding mixer on a high speed until light, fluffy and tripled in size.
3. Grease a 25cm round cake tin all over with the remaining butter and line the base with greaseproof paper.
4. Remove the chocolate from the heat, leave to stand for a couple of minutes, then pour it into the egg mixture.
5. Whisk on a medium speed to combine, then pour into the lined tin.

6. Give a few taps on the work surface to bring the air bubbles to the surface, then place the tin into a shallow roasting tray.
7. Place the tray in the oven, then carefully pour enough boiling kettle water into the tray to come halfway up the side of the cake tin.
8. Gently slide the shelf back in and bake for 35 to 40 minutes, or until set but with a slight wobble.
9. Squeeze the clementine juice through a sieve into a small pan and simmer over a low heat for 20 minutes, or until syrupy enough to coat the back of a spoon.
10. Carefully pour it into a bowl and leave to cool.
11. Remove the torte from the oven and leave to cool in the water-filled tin for 1 hour.
12. Gently loosen the edges with a butter knife, then carefully turn it out onto a serving board and peel off the paper. Slice and serve with a drizzle of clementine syrup.
